FLHS PTA Meeting Oct. 13, 2016 President's Report

Oct. 11, 2016

As we wind down to our last week of Archery, I just wanted to thank the PTA again for all of your support. When you see the success on the students' faces, especially those with special needs, that is the reason why you teach.

Archery is the activity that athletes and non-athletes can benefit from. Those with ADD and ADHD also learn to stay focused and concentrate.

Thank you again,

FLHS PE
